About WAPIL 2

The Torres Strait Regional Authority (TSRA) with its partners is delivering WAPIL 2 to support more local people into the fishing industry across the region from **boat → processing → market → income**.

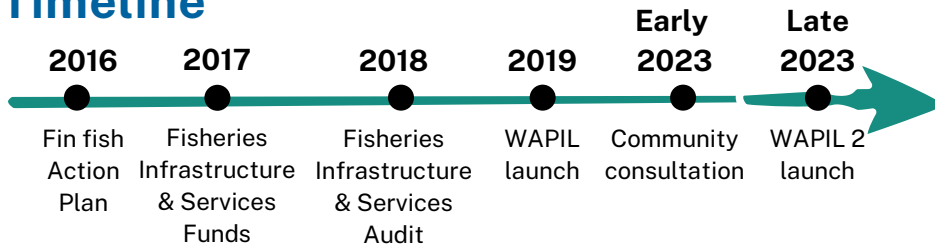

Benefits

- more people fishing including young people and women
- business support building skills and knowledge
- boats and equipment to fish our best way
- finance and insurance for fishing business and operation
- safety and compliance for safer boats and diving
- fit-for-purpose seafood infrastructure to suit local needs

Priorities

- Our environment
- Our culture
- Our future

Timeline

Next steps

1. Survey communities about the current situation.
2. Finding the right people to deliver the project.
3. Develop a Wapil 2 plan: what, where when and how.
4. Working to deliver the six benefits of Wapil 2.
5. Start regular communications about Wapil 2.
